

Purple Class Monthly Update: September

In September we are learning about habitats and discovering the rainforest

In Maths ,we are learning to count up to 5 ,exploring numbers and using play to discover that numbers are all around us.

Purple Class is learning about habitats in Science ,exploring Arctic habitat ,pupils had the change to make ice and sensory explore ice and experiencing the process of ice melting .We sensory explored the desert with the sand dunes and cactuses ,discovering different desert animals . In Food Tech ,we are developing our chopping skills ,practicing how to hold a knife the correct way and being safe whilst cooking.

September was about sensory exploring different habitats and engaging in activities that promote our life skills.
