

YELLOW CLASS

This month Yellow class have been exploring different ways of communicating. We love saying hello to our friends in different ways every morning with our communication board - we are big fans of High-Fives and signing! We have focused communication sessions every day and every pupil is progressing in their chosen ways to communicate! We have been using ALD boards, Pecs Books, signing; the children's speech is progressing brilliantly and we are seeing some fantastic initiation from them all.
