

## Blue class

Blue class have continued their ASDAN Exploring Aspirations learning by visiting Alton College. They met a variety of staff at the college and enjoyed a tour of the main parts including, The Hub. They were very pleased, as were the staff, to see and chat to some of the ex-pupils from Hollywater. It was great to see how well they are doing and they were very pleased to see us! Blue class needless to say really enjoyed buying their snack at the refectory! In Maths, Blue class have been looking at 2D and for some 3D shapes. They had great fun making pictures using 2D shapes and using a variety of resources. In English, Blue class have continued with their English communication skills within The Café on Thursday mornings. They have become experts at being waiters and waitresses taking orders and then delivering them to various staff across the school!
