Yellow Class

Our topic for this term is transport.

In Discovery we have learned to identify and differentiate between transportation in the past and now.

In creativity we have learned about the painter Ian Cook and created one of his paintings using car wheels as the painter does.

In music we are learning to play the song "The Wheels on the bus" with the glockenspiel instrument.

In PSHE we have been learning about different feelings and naming them using Makaton.

In Religion we have been learning about the religion Hinduism.

In Food Technology, we have been working and practicing our skills to prepare rice Krispy cakes independently.

In science we have been doing several experiments in class to investigate the three states of matter.
