

# Bronze Class Monthly Update: November 2023

Year 10 Bronze students, as part of their Duke of Edinburgh organised the Children in Need day on the 17<sup>th</sup> November. The students organised and distributed resources for the whole school. They also made posters which we put up around the school and sent one home. Great fun was had making Yellow arts and crafts in the afternoon.

In English students have been practising 'Communicating and organising clearly' as part of an AQA certificate award. We began writing a set of Instructions together as a class, then with a framework and finally without any help from an adult.

In Maths the students have started a new examination topic as part of their AQA award, on Calendars and Time and carried on looking at Measures.

As part of looking at Remembrance Day, students made the following. In class we also looked at why Remembrance Day is held and why there is a two-minute silence.
