

Welcome to Aqua class's monthly newsletter.

# Enterprise

Aqua class have been taking part in Enterprise sessions. These sessions will form part of their unit awards. This half term they have been creating beautiful Christmas crafts. These included Christmas cards, Christmas tags, clay and wood tree hangings. They will all be available to buy at the Christmas Fair.

Pupils discussed together which items they wanted to create. They then had to look at pricing and talked about the suitability of grouping certain pieces together for sale. They looked at packaging and agreed on the 'look' that they were aiming for.

**We look forward to seeing you  
on the day!**

Aqua pupils will be taking part in setting up the stall for the Christmas fair and selling the pieces. This will be part of their unit awards. The money raised will be going towards Hollywater School funds to support the learning of all pupils.
